

Landscape Design Services

Huron Landscaping Limited – 519-529-7247 – huronl@hurontel.on.ca

Professional landscape design services are offered by formally trained staff at Huron Landscaping Limited. These services can include landscape design in the form of a landscape plan or sketch, drawn to a suitable scale to illustrate the finished project.

Services Include:

Tree placement and windbreaks
Flowerbeds and Borders
Sod, Mechanical Seeding and Hydroseeding
Armourstone or Natural stone Installation

Fees are calculated at \$85.00 per hour for design work. These fees are non-refundable and are calculated according to the following components:

Project Scope: planting design, existing features, sight characteristics

Project Detail: site planning and site location

Design Product: presentation drawings, planting and layout plans

An estimate for the cost of the design process will be issued before the design work commences once the scope of the work is determined.

Design Package:

Accompanying the landscape plan each package includes a complete plant and material list outlining all the materials required with the cost breakdown of each item including labour, trucking and applicable taxes. All originals of the plans will remain at and be property of Huron Landscaping Limited.

Payment Process:

Payment for design services is due upon receipt of the completed design package. Payment for the landscape construction services is due upon completion of the project or phased completion. We accept Check, Debit or Cash. We do not accept credit cards.

Tips for getting the Landscape you want!

Have an idea of your project budget.

Know what you like and dislike about your landscape now. What do you want to achieve?

How do you use the space? Does it have a function?
